

MAIN TOPICS

PROFESSIONALISM

- Actuaries in “Non-standard” Working Environments (cross-border, outside financial industry, in other political systems, with different mathematical backgrounds)
 - Managing Conflicts of Interest
 - Serving the Public Interest – what does it mean for the individual actuary, what does it mean for the professional association?
 - The Role of the Actuary – in particular, statutory roles and regulatory key functions (joint sessions with other special-interest sections)
-

JOINT SESSIONS IACA AND PROFESSIONALISM

IACA and Professionalism have proposed topics for joint sessions which cover fields that are of common interest. These sessions are organized jointly by IACA and Professionalism aiming at a reciprocal exchange of knowledge and experiences. Not only submissions related to both sections but also submissions that cover specific aspects related to IACA and/or Professionalism only are highly welcome.

- Presentation Skills and Visual Communication
 - Data Security and Cyber Risks
 - Project Management
 - Actuarial Audits
 - Document Retention Policies
 - Expert Witness Work
-

EDUCATION

Education deals with different current and future topics on (continuing) qualification of actuaries. There will be a broad and interesting program, even though Education is not part of the Call for Papers.
