

BERLIN 2018

### 31st International Congress of Actuaries

4 – 8 June 2018 | Berlin, Germany | [www.ica2018.org](http://www.ica2018.org)

#### Dear Sir or Madam

The new year has started and we are working at full capacity to release our 1st Announcement, including the call for papers, as well as other relevant detailed information on the ICA 2018, within the next two weeks. Our special edition newsletter will inform you when our 1st Announcement is published online. Watch this space!

In the meantime, we recommend the January edition of our ICA 2018 newsletter, featuring news on the limited attendance experiences and the excursions on Tuesday and Thursday afternoon.

#### Introducing the Limited Attendance Experiences: Ottobock Science Center

This limited attendance experience is challenging: Drive a virtual wheelchair through Berlin, balance over a deep ravine and have a closer look at your own anatomy. In the Ottobock Science Center, participants learn about gripping, walking, bionics and fascinating inventions in the field of medical technology. Find out more about the first of seven limited attendance experiences.

#### Getting closer to Berlin with the Highlights Tour

With around 12.5 million visitors every year, Berlin ranks as one of the most popular tourist destinations in Europe. From the famous landmark, the Brandenburg Gate, the symbol for the division and unification of Germany, to the Reichstag, the seat of the German government the city has many interesting sights to see. With the Highlights Tour on Tuesday and Thursday afternoon you will get to see them all.

### WITH A SMILE

At the last Autumn Meeting of the German Actuarial Association in April 2016 we launched our first merchandise mug in favor of the charity campaign "Actuaries For Actuaries".

For our next mug we have asked you to send us your ideas for slogans. Now it's your turn again: Visit the [ICA 2018 website](http://www.ica2018.org) and vote for the best one:

1. Trust me – I am an actuary
2. Keep calm & carry on calculating
3. Become an actuary... if something goes wrong you can always blame stochastics

We will announce your favorite slogan in our next newsletter and will use it for the branding of our next ICA 2018 mug.

#### "Ndi 100,000" – Get the Luanda version

The Luanda version of the "I am 100,000" thumps up logo is now available on the ICA 2018 website. Including this translation, a total of 17 languages are now available online. If your language isn't yet included, request it by emailing [gesa.fernholz@ica2018.org](mailto:gesa.fernholz@ica2018.org) to take part in the competition.

#### Meet our partners at the ICA 2018

38 companies have already decided to become a sponsor of the ICA 2018. See our updated list of partners online. Many of them will also use the opportunity to introduce their company and showcase their knowledge as an exhibitor. A detailed list of exhibitors and what add-ons you can expect from the exhibition area can be found online in due course.
