

31st International Congress of Actuaries

4 – 8 June 2018 | Berlin, Germany | www.ica2018.org

Dear Sir or Madam

18,142.61 kilometers from Wellington, New Zealand to Berlin, Germany – that is the furthest distance a delegate has to cover to attend the 31st International Congress of Actuaries so far. With today's mailing we would like to introduce Andrea M. Gluyas, President of the New Zealand Society of Actuaries (Inc) – the delegate with the probably furthest distance to travel to get to Berlin.

"I'm really looking forward to attending my first ever ICA in Berlin. It's always lovely to enjoy a brief trip to the Northern hemisphere's summer when it's winter at home, but I am sure the quality of the presentations, the excellence of the organisation, and the making and renewing of friendships will also be well worth the 30 hour trip from New Zealand!"
