BE PART OF THE ICA 2018 SCIENTIFIC PROGRAMME

In 2018, the German Actuarial Association, in conjunction with the International Actuarial Association, will host the 31st International Congress of Actuaries in Berlin. As part of the congress the scientific committee plans to award up to two Best Papers in each of the following subject areas:

- **Big Data Analytics – Algorithms, Analysis and Application**
- **Demographic Change and Longevity**
- **Aspects of Long-Term Savings: Uncertainty in Low Real Returns, Longevity and Inflation**
- **Behavioral Aspects of Insurance Mathematics**
- **Long-Term Risk: Modelling, Measuring, Managing and Economic Valuation**
- **Mathematical Aspects of Emerging Risks**

After consideration of all submissions, the scientific committee will decide on the number of awards and the respective cash prizes of up to EUR 1,500.

Deadline for submissions is 31 July 2017. Further information on the submission procedure can be found on www.ica2018.org.
